Do you know your FDW's source country policies?

Indonesia (BNP2TKI)

Employer's advantage

- Employer is not responsible to provide a loan to the FDW.

Philippines (POEA)

- No placement fee charged to the FDW. Employer can provide a cash advance of up to \$1100 for recruitment costs at source.

Employer's advantage

- Minimise Employer's upfront payment.

- FDW must be legally documented, processed and leave as an overseas worker

Employer's advantage → No disruption or delay to her arrival.

- FDW must attend training and is awarded a assessment certificate

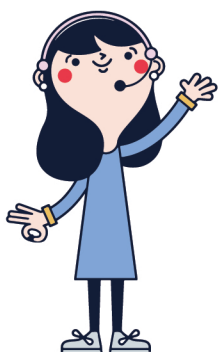

Employer's advantage → She is equipped with proper skills and the right mindset for her employment.
